I went to Kyoto with Ms. Tanaka by Shinkansen last week. Kyoto is an old town but is lively. There are many interesting places. We went to Kiyomizu temple by bus. The red maple leaves were very beautiful. We took many photos.

Next, we went to Shinkyōgoku. There were many small shops. I bought a cute notebook and a pen. They were 430 yen.

We went to a café at 3 o’clock. We had coffee and cakes. They were very delicious.
